

Toronto Chesed

In partnership with:

hadracha  **MENUCHA**

Whatever the issue may be, we offer a helping hand and guidance, to empower those in need to get back on their feet.

It's not just a handout but solutions towards a path of strength and independence.

Services:

Livelihood

Career exploration, job readiness, business guidance networking and mentoring.

Food Assistance

Weekly, monthly, holiday and seasonal food assistance.

Humanitarian Assistance

Family mediation, medical supplies, treatment, therapies (non covered), child and baby supplies, housing assistance.

Home-Economics

Household management, personal finance and budgeting.

Single-parent families

Provide guidance, advocacy, and assist with referrals, for struggling moms, dads and kids.

Toronto Chesed is our community's comprehensive life-management resource.

No matter the hardship, assistance is just a phone-call away.

How we assist

Understanding individual needs, throughout the community, allows us to deliver the right services to all who call, effectively, professionally and confidentially.

Each call is received with compassion and respect.

With your help, we can continue to assist those in need, find long term solutions for stability.
